Yevgeniy Timoshenko <yevgeniy.timoshenko@gmail.com>

to me

1:40 AM Yevgeniy: hey

1:41 AM me: hey

1:42 AM sup

Yevgeniy: I have a question
when I left for london, did I personally hand you the 10K?

1:43 AM me: uhh i thikn so
i dont remember?

Yevgeniy: ok, so then what did you do with it?

1:44 AM me: then i put it in my briefcase

Yevgeniy: and?

1:45 AM me: then back in your room when i realized i wont see you

1:46 AM Yevgeniy: back in the nightstand?

me: yeah

Yevgeniy: ok, so since it wasn't there when I came back, where do you think it went?

1:47 AM no one else came over/was in our apt other than that girl, right?

me: yeah

i dont think she would take it
i think we just misplaced it
or it was still in there when we sold it

1:48 AM Yevgeniy: impossible

me: i dunno

i dont have it

Yevgeniy: unless you put it somewhere else

me: i mean i actually thought you took it

and it was fine

cuz you didnt say anything

when you left

Yevgeniy: I checked the nightstands before leaving NY -- I wouldn't leave 10K in there

1:49 AM I know she's a cool chick, and I don't want to point fingers

but there

me: yeah

i hear what youre saying

but at this point its too long gone to recover

and its not like shes my bff

Yevgeniy: aren't very many other scenarios of how the money could've disappeared

1:50 AM me: well people were touring our house too

Yevgeniy: yea I know

me: but i hid it

Yevgeniy: and even if you confronted her, its really easy for her to deny

me: eh its fine, im going to pay for my mistake and its fine

Yevgeniy: since we don't have irrefutable proof

me: yeah exactly

its pointless

Yevgeniy: its just a shitty spot

1:51 AM me: yeah

but ive been meaning to talk to you about FT

1:52 AM we're moving on in big ways

im presenting at a conference on feb 10th at columbia

it'll be a big deal
was pretty selective to get in
and we've changed our bus model
so lets set up a call sometime

Yevgeniy: sure
columbia?

me: the college

Yevgeniy: oh

1:53 AM duh

I might be free tomorrow night

1:55 AM also, about the 10K

if you think that I lost/misplaced it somehow
then thats not fair for you to pay the 10K

me: dude its bs, it was my fault
ive already wired the money

Yevgeniy: but I want you to know Im almost positive I checked before leaving and it wasnt there

1:56 AM me: i think its pretty clear

you trusted me to take care of something
and i failed at it

so its only right i replace it
luckily this case it was only money
and not an item of sentimental value
then id feel even worse

Yevgeniy: I know

me: so really, yev its fine

Yevgeniy: it just really sucks how everything unfolded

me: yeah lets move past it

its really not a huge deal
its not even a parking ticket

Yevgeniy: how misunderstandngs turned to mistrust

1:57 AM and hostility

me: speaking of which, facebook 5billion IPO today
